The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) Ninety days after the number of Class A votes attributable to Lots or Parcels which do not qualify for a reduced assessment under Article 5, Section 5.8 of this Declaration exceeds the number of Class B votes; or

(b) When the Declarant notifies the Association in writing that it relinquishes its Class B membership; or

In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to

vote on the matter in question. If any Owner casts a ballot representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot. In the event more than one (1) ballot is cast for a particular Lot, none of said votes shall be counted and said votes shall be deemed void.

Section 4.3. Corporate Ownership. In the event any Lot or Parcel is owned by a corporation, partnership or other association, the corporation, partnership or association shall be a Member and shall designate in writing at the time of acquisition of the Lot or Parcel an individual who shall have the power to vote said membership, and in the absence of such designation and until such designation is made, the chief executive officer, if any, of such corporation, partnership or association shall have the power to vote the membership, and if there is no chief executive officer, then the Board of Directors or general partner of such corporation, partnership or association shall designate who shall have the power to vote the membership.

ARTICLE 5 COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot and Parcel owned by it, hereby covenants, and each Owner of a Lot or Parcel by becoming the Owner thereof, whether or not it is expressed in the deed or other instrument by which the Owner acquired ownership of the Lot or Parcel, is deemed to covenant and agree to pay to the Association: (1) annual assessments, (2) supplemental assessments, and (3) special assessments for capital improvements. The annual, supplemental, and special assessments, together with costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot and Parcel against which each such assessment is made. Each such assessment, together with costs, and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot or Parcel at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

Section 5.2. Purpose of the Assessments. The assessments levied by the Association shall be used exclusively

for the upkeep, maintenance, and improvement of the Common Area and such portions of the Lots and Parcels and such portions of the Improvements located thereon, as the Association is obligated to maintain under Sections 9.1 and 9.2 of this Declaration, and for promoting the recreation, health, safety and welfare of the Owners and residents of Lots within the Property.

Section 5.3. Maximum Annual Assessment.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment for each Lot shall be Two Hundred Sixty-Four dollars (\$264.00).

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the Board may, without a vote of the membership, increase the maximum annual assessment during each fiscal year of the Association by an amount proportional to the amount of increase during the prior fiscal year in the Consumer Price Index for All Urban Consumers (All Items), U.S. City Average, published by the United States Department of Labor, Bureau of Labor Statistics (1967 = 100), or in the event said index ceases to be published, by any successor index recommended as a substitute therefor by the United States government; or five (5%), whichever is greater.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment may be increased by an amount greater than the maximum increase allowed pursuant to (a) above, only by a vote of Members entitled to cast at least two-thirds (2/3) of the votes Unofficial Document to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose, or by a two-thirds (2/3) majority of each class of vote as long as there is a Class B vote.

(d) The Board may fix the annual assessment in any amount not in excess of the maximum annual assessment.

Section 5.4. Supplemental Assessments. In the event the Board shall determine that its funds budgeted or available in any fiscal year are, or will become, inadequate to meet all expenses of the Association, for any reason, including, without limitation, nonpayment of assessments by the Members, it shall immediately determine the approximate amount of such inadequacies for such fiscal year, prepare a supplemental budget, determine the amount of such inadequacies for such fiscal year, and levy a supplemental assessment against each Lot and Parcel in such amount as the Board deems necessary in order to obtain the amount of such inadequacies. Notice of any such supplemental assessment shall be given to each Owner. The supplemental assessment shall be paid on such dates, and in such installments, as may be determined by the Board. No supplemental assessment shall be levied by the Board until such assessment has been approved by Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose, or a two-thirds (2/3) majority of each class as long as there is a Class B vote.

Section 5.5. Special Assessments. In addition to the

annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Area, including fixtures and personal property related thereto, or for any other lawful Association purpose, provided that any such assessment shall have the assent of Members having at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose, or a two-thirds (2/3) majority of each class as long as there is a Class B vote.

Section 5.6. Notice and Quorum for Any Action Authorized Under Sections 5.3, 5.4 and 5.5. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.3, 5.4 or 5.5 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or proxies entitled to cast sixty percent (60%) of all the votes of each class of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.7. Uniform Rate of Assessment. Annual, supplemental, and special assessments must be fixed at a uniform rate for all Lots and Parcels. Unofficial Document as long as there is a Class B membership, Declarant shall not be subject to assessments for Lots not sold to individual Purchasers, but instead shall be required to pay the difference between actual operating costs for the Association and all income from assessments and other sources. When the Class B membership ceases as prescribed in Article 4, Section 4.1, Declarant shall become a Class A Member and will be subject to assessment for each Lot or Parcel owned by Declarant. Declarant shall pay twenty-five percent (25%) of the full assessment amount until such time as the Lot or Parcel is conveyed by Declarant to an individual Owner or is occupied, whichever occurs sooner. The one hundred percent (100%) assessment permanently attaches upon initial occupancy regardless of its state of occupancy thereafter.

Section 5.8. Builder Assessment Rate. In the case of a builder, who for purposes of this Section shall mean a person or entity who purchases more than one Lot from the Declarant for the express intent of building homes to be sold as a business enterprise, the assessment for each Lot owned by such builder shall be set at twenty-five percent (25%) until the earliest of the following:

- a) when the home is completed, or;
- b) six (6) months after purchase of Lot(s) from Declarant.

After the earliest of these aforementioned events, the assessment shall be permanently set at one hundred percent

(100%). The one hundred percent (100%) assessment permanently attaches upon initial occupancy regardless of its state of occupancy thereafter.

Section 5.9. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each Lot on the first day of the month following the conveyance of the first Lot to a Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board shall fix the amount of the annual assessment at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Board may require that the annual assessment be paid in installments and in such event the Board shall establish the due dates for each installment. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot or Parcel have been paid.

Section 5.10. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment, or any installment of an assessment, not paid within fifteen (15) days after the assessment, or the installment of the assessment, first became due shall bear a monthly late charge to be set by the Board. Any assessment, or any installment of an assessment, which is delinquent shall become a continuing lien on the Lot or Parcel against which such assessment was made. The lien shall be perfected by the recording of a "Notice of Claim of Lien" which shall set forth (1) the name of the delinquent Owner as shown on the records of the Association, (2) legal description, street address and number of the Lot against which of lien is made, (3) the amount claimed as of the date of the recording of the notice including lien recording fees, interest and reasonable attorneys' fees, (4) the name and address of the Association. The Association's lien shall have priority over all liens or claims created subsequent to the recording of the Notice of Claim of Lien except for tax liens for real property taxes on the Lot or Parcel, assessments on any Lot or Parcel in favor of any municipal or other governmental body and the liens which are specifically described in Section 5.11 of this Declaration.

Before recording a lien against any Lot or Parcel, the Association shall make a written demand to the defaulting Owner for payment of the delinquent assessments, together with interest and reasonable attorneys' fees, if any. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, the Association may proceed with recording a Notice of Claim of Lien against the Lot or Parcel of the defaulting Owner. The Association shall not be obligated to release any lien recorded pursuant to this Section until all delinquent assessments, lien fees, interest and reasonable attorneys' fees have been paid in full whether or not

all of such amounts are set forth in the Notice of Claim of Lien.

The Association shall have the right, at its option, to enforce collection of any delinquent assessments together with lien fees, late fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (a) bringing an action at law against the Owner personally obligated to pay the delinquent assessments and such action may be brought without waiving any lien securing any such delinquent assessments or (b) bringing an action to foreclose its lien against the Lot or Parcel in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots or Parcel(s) purchased at such sale.

Section 5.11. Subordination of the Lien to Mortgages. The lien of the assessments provided for in this Declaration shall be subordinate to the lien of any First Mortgage. Sale or transfer of any Lot or Parcel shall not affect the assessment lien. However, the sale or transfer of any Lot or Parcel pursuant to judicial or nonjudicial foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot or Parcel from liability for any assessments thereafter becoming due or from the lien thereof.

Section 5.12. Exemption of Owner. No Owner of a Lot or Parcel may exempt himself from liability for annual, supplemental, or special assessments levied against his Lot or Parcel or for other amounts which Unofficial Document owe to the Association under the Project Documents by waiver and non-use of any of the Common Area and facilities, or by the abandonment of his Lot or Parcel.

ARTICLE 6 PERMITTED USES AND RESTRICTIONS

Section 6.1. Land Use Classifications. As a portion of Harmon Ranch is readied for development, any number of Land Use Classifications, including any number of subclassifications thereof for any special uses, shall be fixed by Declarant in a Tract Declaration for such portion of Harmon Ranch, which Tract Declaration may be Recorded at such time as such property is conveyed by deed or, if retained by Declarant, at such time as Declarant begins development thereof. Each Recorded Tract Declaration shall be construed as a supplement to this Declaration and fully a part hereof as if all of the provisions thereof were set forth herein. The Land Use Classifications established by a Tract Declaration shall not be changed except as specifically permitted by this Declaration. The contemplated Land Use Classifications are as follows:

- a) Single Family Residential Use.
